IN THE COUNTY LEGISLATURE OF JACKSON COUNTY, MISSOURI

A RESOLUTION transferring \$120,683.00 within the 2018 General Fund and \$42,402.00 within the 2018 Health Fund to cover the cost of video recording technology equipment for use by the Department of Corrections under an existing term and supply contract and awarding a contract for the installation of this equipment in the Jackson County Detention Center to Southern Folger Detention Equipment Company of San Antonio, TX, as a sole source, at an actual cost to the County not to exceed \$35,000.00.

RESOLUTION NO. 19829, April 16, 2018

INTRODUCED BY Alfred Jordan, County Legislator

WHEREAS, the Department of Corrections needs to replace video recording technology equipment that is outdated and not fully integrated within the department's current video recording system; and,

WHEREAS, the needed equipment will provide increased functionality to departmental operations and will allow the department to prepare for future technology upgrades; and,

WHEREAS, the Department of Finance and Purchasing recommends the acquisition of this equipment from Midwest Digital Data Systems of Riverside, MO, under an existing County term and supply contract, at an actual cost of \$128,085.00; and,

WHEREAS, the Department of Finance and Purchasing further recommends the award of a contract for the installation of this equipment to Southern Folger Detention Equipment Co. of San Antonio, TX, as sole source pursuant to section 1030.1, Jackson County Code, 1984, at an actual cost to the County not to exceed \$35,000.00; and,

WHEREAS, because Southern Folger is the manufacturer of the County's current master control system, the Department of Finance and Purchasing has determined that is a sole source for the installation of the needed video recording equipment and its integration into the proprietary master control system; and,

WHEREAS, transfers are necessary to fund the needed equipment acquisition and installation; and,

WHEREAS, by Ordinance 5062, dated December 6, 2017, the Legislature did establish certain Reserve Accounts for certain budget lines within the 2018 County budget; and,

WHEREAS, certain funds appropriated in such Reserve Accounts within the 2018 General Fund and Health Fund are needed to cover the costs of the needed video recording technology equipment

acquisition and installation for the Department of Corrections; and,

WHEREAS, there are numerous disputes between the County Executive and the Legislature regarding the validity of Ordinance 5062, relating to its construction and interpretation, and multiple related issues; and,

WHEREAS, the Chief Administrative Officer has recommended the adoption of this Resolution, without waiving any previous position taken in reliance upon the memorandum of the County Counselor dated December 22, 2017, regarding Ordinance 5062, and without waiving any position taken in reliance upon other legal memorandums provided by the Office of the County Counselor; and,

WHEREAS, the Legislature recognizes that funds identified as Reserve Funds in the adopted 2018 budget within the General and Health Fund are required to be designated for use by the Department of Correction for video recording technology; and,

WHEREAS, the Chief Administrative Officer has requested that the funds identified in this Resolution be made available for such use by the Department of Corrections within the 2018 budget; and,

WHEREAS, the Legislature agrees that funds described in this Resolution should be made available for such use by posting to certain budget line items in the Non-Departmental budget; now therefore,

BE IT RESOLVED by the County Legislature of Jackson County, Missouri, that the following transfers or equivalent documentation/identification, to accomplish posting of the funds in County's budget

management system so that the funds are available for immediate use and expenditure within the 2018 budget, be and hereby are authorized:
